Their tight-knit sound inspired The Beach Boys' Brian Wilson, The Mamas & The Papas, Frankie Valli and the Manhattan Transfer.

The Freshmen have recorded over 75 albums, 70 top selling singles, and received 6 Grammy Nominations. The four have toured constantly since their inception, continuing to perform to sold out audiences around the globe.

While paying tribute to such classic Freshmen favorites as "**Day By Day**" and "**Blue World**," the current group also continues to bring new arrangements to their live shows and recordings. Their latest endeavor, "Live at the Franklin Theatre", features the audience Favorites like "**Route 66**", "**Graduation Day**" and "**Poinciana**". The Freshmen shine on brand new arrangements of "**Give Me The Simple Life**" and "**Pick Up Your Tears**". Within their show you will also hear the body swaying "**Girl From Ipanema**". One can't forget the toe tapping "**Stompin' At The Savoy**".

As four amazing musical talents, their show is one not to be missed! Whether accompanied by a big band, symphony orchestra or self-contained; their youth, vitality, and talent adds a modern twist of elegance to a time-honored sound.
